

**REMARKS**

This Amendment is in response to the Office Action dated January 11, 2006. In that Office Action, the Examiner divided the claims into the following groups and species:

- I. Claims 1 – 13, drawn to an aircraft;
- II. Claims 16 and 19, drawn to an apparatus having receptacles;
- III. Claims 14, 15, and 20 – 31, drawn to unmanned aircraft; and
- IV. Claims 32 – 37, drawn to a method for replacing an actuator.

Species A refers to Figures 1 – 5; and

Species B refers to Figure 6.

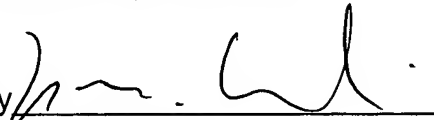

In response, Applicant elects Group III, claims 14, 15 and 20-31, without traverse. Non-elected claims 1-13, 16, 19 and 32-37 have been canceled without prejudice. Applicant reserves the right to pursue the non-elected claims in one or more continuation, continuation-in-part, divisional or other applications. Applicant further elects Species A, and accordingly withdraws claims 20-24, without prejudice to pursuing these claims in a continuation, continuation-in-part, divisional or other application.

Applicant expressly requests consideration of the withdrawn claims upon an indication of allowable subject matter that is generic to these claims.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 367618011US1 from which the undersigned is authorized to draw.
